

6th September 2018

Dear Respected Parents/Guardians,

We hope this finds you in good health and we are looking forward to welcoming you back to school next week.

Following our previous letter regarding the Department for Education Restriction Order we are writing to inform you that we have filed an appeal against this decision and we will find out the outcome in due course.

Whilst the appeal is ongoing the restriction on admission of new students does NOT apply.

Thank you for your continuing support and we will keep you informed.

Hafsa Bilquees

Head Teacher
