SCHOOL CLOSURE INFORMATION

Assalaamu Alaikum
Respected Parents/Guardians

We are sure that many of you will already be aware that yesterday evening the government announced that all schools in England will close on Friday for most pupils. The closure is until further notice.

Our children will be at home, most likely for a number of weeks. The children are expected to continue their learning through home learning tasks. We have sent home packs with all children who were in school. These packs provide learning tasks for your child whilst they are at home. Staff who are well will still be working and we will be directing them to plan more activities, tasks and prepare and share other useful documents for home learning in the coming days and weeks.

There will be a daily timetable for parents to follow with their children (where possible), as we thought that this might provide guidance and support to you at this very difficult time. We are also going to work with staff to come up with a way of celebrating good work and rewarding children for their efforts. It will be really important that you check the school website regularly, particularly as we do not have any indication about how long school may be closed.

Finally, we would just like to thank those of you who have been incredibly supportive of school in the past few days in what have been very testing times for us all. Your patience and understanding are very much appreciated. These are unprecedented times and we know how worrying this situation is and how hard these next months may be for families.

We hope that together, as a school community, we will continue to support one another and make the best of the situation that we are faced with. During this period of closure, if you need help or support, please do get in touch via the **school mobile on 07517-074-598** or via **Rabia_gs@yahoo.co.uk** and we will do all we can to help you.

JazaakAllah Khair

RGBS Senior Management Team/RGBS Governing Body
